### **Discipline**

Our discipline is firm and fair. We expect the children to conform to certain standards of behavior and speech, and respect others and their property. Supervision is an important aspect whilst at the club and every effort is made to ensure good behavior, and self-discipline. We encourage children to respect and care for the school, club equipment and the environment. However, there may be occasions where damage occurs due to thoughtless behavior or improper use of school/club property. The Meads Management Group Committee consider that in these circumstances the normal disciplinary action will be taken at the club and parents will be expected to pay for the repairs
