

Summer Holidays at The Meads

We will be open for the Summer Holidays from Thursday 25th July—Tuesday 3rd September (*inclusive*). With the exception of Monday 26th August, when we will be closed due to the Bank Holiday.

We will have a different theme for each week of the holidays, and these are shown in more detail on this programme.

Week 1 (29/07/19-02/08/19): Disney!

The theme for the first week will be Disney. We will be inviting children to arrive in fancy dress every day throughout the week, and we will have the dressing up boxes available throughout the day also.

The children will be creating plays and making their own 'Disney' role plays to act out.

Week 2 (05/08/19-09/08/19): Sports!

The theme for the second week will be Sports. We will be taking part in a variety of sporting activities and we will be playing together to improve our team working skills.

There will be chances to try different sports, such as: table tennis, and tag rugby. As well as playing the old favourite football!

Week 3 (12/08/19-16/08/19): Harry Potter!

The theme for the third week will be Harry Potter. We will be making our own magic wands and sorting hats, as well as creating our own 'house teams'!

There will be broomstick races and science-themed magic throughout the week as well.

Week 4 (19/08/19-23/08/19): Food!

The theme for the first week will be Food. During this week, we will be doing lots of cooking, and food tasting!

We will be learning about healthy eating, and what foods are good or bad for you to eat, as well as foods from other countries.

Week 5 (27/08/19-30/08/19): Under The Sea!

The theme for the fifth week will be Under The Sea. We are taking you for a journey into the world of life Under The Sea. We will be looking at animals and mermaids, as well as pirates and treasure!

We will make our own messages in bottles, treasure maps, and rainbow fish.

First & Final Days (25/07/19 & 26/07/19 and 02/09/19 & 03/09/19): Nature!

The theme for the first and final days will be Nature! We will be going back to Nature and looking at a variety of things, including: plants, animals, dinosaurs, and more!

We will be exploring seasons and weather and how these affect us.
